

# AUTOMATIC, HIGH-SPEED CARBIDE CIRCULAR SAWS

FOR FLATS, ROUNDS, SQUARES,  
ANGLES, CHANNELS, BEAMS,  
RECTANGULAR/SQUARE TUBE,  
& ROUND TUBE/PIPE

## HIGH PRODUCTION, THIN KERF, CARBIDE CIRCULAR SAWING STEEL ▪ STAINLESS STEEL

- \* **Marvel P-150C and P-100C** carbide circular saws
- \* High-powered 20HP and 15HP blade drives
- \* Minimum cut widths: 5/8" rounds and rectangles
- \* Maximum cut widths: 6" rounds and 4-1/8" rectangles
- \* Accommodates stock up to 20' in length

### The Hagerty Advantage

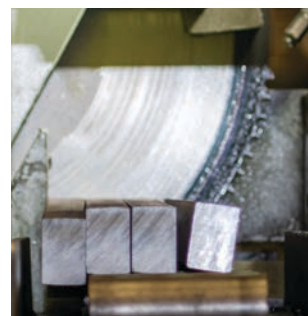

- \* Custom, repeatable parts with machine automation
- \* Quick turnaround and on-time performance
- \* No order or parts minimums: from 1 to 1000+ pieces
- \* One-stop shopping from material to finished part
- \* Reduce your scrap... Increase your profits

Ultra thin carbide blades minimize kerf loss and material waste

Continuous feeding of bar and tube stock possible with automated loading table

Capable of accurately cutting multiple pieces in one pass

Automatic, hydraulic discharge chute sorts finished pieces

# AUTOMATIC, HIGH-SPEED CARBIDE CIRCULAR SAWS

FOR FLATS, ROUNDS, SQUARES, ANGLES, CHANNELS, BEAMS,  
RECTANGULAR/SQUARE TUBE, & ROUND TUBE/PIPE

We understand that sawing applications vary greatly from one customer to the next...  
We have the experience and equipment to guarantee precision for your next job.

Whether cutting angles, flats, rectangles, channels, beams or tubing, Hagerty knows a number of variables play a role in achieving finished accurate parts. We continually invest in the latest technology and equipment, boasting some of the shortest lead times in the metal industry.

Our team of experienced shop personnel processes each order ON TIME. Hagerty is one of the most comprehensive metals service centers in the Midwest, providing an expansive inventory and a full range of metals processing, all delivered in an expedient, efficient manner. Our goal is to exceed our customers' expectations.

Contact your Hagerty sales rep today to learn how we can help you with your next project to maximize results and increase your ROI.
